## DER AKTIONÄR ROBOTIC Index

### DESCRIPTION

The billion-dollar robotics market Robotics has evolved into a key technology of the global economy, expanding far beyond traditional industries. Whether in factories, logistics centers, or hospitals, robots are closing productivity gaps, securing supply chains, and accelerating processes wherever speed and precision are critical. With rapid advances in artificial intelligence and automation, this megatrend continues to gain momentum. For investors, this opens up a highly attractive long-term growth market. The Robotic Index brings together the leading players of the robotics revolution, making this dynamic growth accessible through a single, investable index.
