FACTSHEET - AS OF 07-Apr-2026
Solactive Euro 50 ESG 5.5% AR Index

DESCRIPTION

The Solactive Euro 50 ESG 5.5% AR Index index tracks the price movement of the 50 largest companies within the Eurozone that are also member of the Ethibel Sustainability Index Excellence Europe. The Ethibel Sustainability Index Excellence Europe contains 200 shares of European companies that display the best performance in terms of corporate social responsibility (CSR). The Index is calculated as a Net Total Return Index, i.e. dividends will be reinvested net of tax. A synthetic dividend of 5.5% p.a. including a management fee of 0.25% p.a. (accrued on a daily basis) is deducted from the index level. The Index is denominated in EUR and adjusted on a quarterly basis.

It is not possible to invest directly in an index. Exposure to assets represented by an index is available through investable financial instruments that seek to provide an investment return based on the performance of an index. A decision to invest in any such financial instrument should not be made in reliance on any of the statements set forth in this document. Prospective investors are advised to make an investment in any such financial instrument only after carefully considering the risks associated with investing in such financial instruments, as detailed in an offering memorandum or similar document that is prepared by or on behalf of the issuer of the financial instrument or vehicle.

The financial instruments are not sponsored, promoted, sold or supported in any other manner by Solactive AG nor does Solactive AG offer any express or implicit guarantee or assurance either with regard to the results of using the Index and/or Index trade mark or the Index level at any time or in any other respect. Solactive AG makes no assurance that financial instruments based on the index will accurately track index performance or provide positive investment returns. Solactive AG is not an investment adviser and nothing in this factsheet constitutes a recommendation by Solactive AG to invest capital in financial instruments nor does it in any way represent an assurance or opinion of Solactive AG with regard to any investment in a financial instrument. Inclusion of a security within an index is not a recommendation by Solactive AG to buy, sell, or hold such security, nor is it considered to be investment advice.

Past performance should not be considered as indication or guarantee of any future results. Charts and graphs are provided for illustrative purposes.
